### **Spain's Casinos de Tenerife Names JCM Global its Preferred Supplier**

DÜSSELDORF, Germany (2 September 2015) – Leading Spanish casino operator Casinos de Tenerife has named JCM Global its preferred bill validator supplier. Additionally, Casinos de Tenerife has named JCM's award-winning iVIZION® its preferred bill validator.

This is the most recent in a series of casinos in Spain and across Europe who have named JCM, the gaming industry's leading transaction technologies supplier, as their preferred bill validator supplier.

Casinos de Tenerife operates Casino de Santa Cruz, Casino Puerto de la Cruz and Casino Playa de las Américas, and currently has JCM's WBA® and UBA® validators on the casino floor at each property. JCM has upgraded all units to the better, faster, smarter technology of iVIZION.

Mr. Pedro Alonso, General Manager of Casinos de Tenerife, said, "We want the very best for our customers at all three of our properties, and that means delivering the best products and service possible. We chose JCM as our preferred supplier because their products deliver the very best security with the speed and acceptance rates our customers demand."

JCM EMEA General Manager Payam Zadeh said, "Casinos de Tenerife is one of the most important casinos operators in Spain, and we are thrilled to have been chosen as their preferred supplier. Casinos in Spain and across Europe trust JCM, appreciate our quality products, and value our service and support."
